ACTION TAKEN REPORT

(Of the feedback of students, parents, teachers, alumni)

Year 2018-2019

Since H A College of Commerce, Ahmedabad is affiliated to Gujarat University, we are supposed to follow all the rules and regulations of the syllabus with reference to syllabus, examination pattern and admission process. For infrastructure facilities, we largely depend on the government grants and financial assistance from the management. The college is always keen to make improvement as and when possible. For getting feedback, the Feedback forms collected from the students, parents, teachers, alumni and analysed carefully. The suggestions made by the parents, teachers, students, and alumni are taken into considerations and request are made to the competent authorities. The summary of the suggestions along with the action taken by the college are as under:

1. The principal discussed the final statistics of the feedback outcome. Initiated various suggestions from the feedback.
2. Increased the number of industry-academia activities.
3. The faculties who are in the board of studies of the university were requested to include in the syllabus the new changes that are coming in their subject.
4. More student centric activities are organized by the college to develop the leadership qualities in the students.
5. To develop the habit of reading, the students were given different assignments and were asked to put their learning in the practice.
6. The students were initiated to avail facilities of library; and internet facilities to access online sources.

7. In the absence of availability of reading material in the new developing areas, the teachers were requested to provide reading material.
8. To enrich teaching, the teachers were advised to include case studies and projects.
9. The range of Wi-Fi frequency was increased in order to make the online sources available for teaching/learning process.
10. IQAC has charted an action plan to improve the infrastructure.
11. The students were encouraged to enhance their learning by using video lecture available on You-Tube, study materials and past university papers available on website.
12. The recreational facilities for the students were improved.
13. LED lights were increased in number, solar panels have been installed.
14. The sports facilities, reading facilities and parking facilities were developed.
15. New books were added in the library: more E resources were employed.
16. Field trips, study visit, and seminar participation was encouraged.
17. Suggestions from every department were invited to improve teaching –learning process.
